

**1 INT. PICTURE OF MC'S OFFICE - DAY****1**

We see MC, a young (20s-30s), non-binary, archaeology researcher sitting down at their office, looking at THE BOOK, papers scattered on the desk. Dialogue box changes in every paragraph.

MC

(monologue)

It has always been my dream...

To study monsters from every nook  
and cranny of the world!

My first stop: Romania.

I managed to find an extremely cheap  
B&B near the ruins of a castle where  
legend has it, Count Dracula used to  
live...

What a bargain!

MC

But finally, I'm here!

The B&B owner told me the station is  
still quite far from the village...

Luckily, he agreed to give me a  
ride. What a nice guy!

I should make sure to tip him extra  
once we arrive...

OWNER

(with accent)

I truly hope you had a wonderful  
trip to our glorious Romania, yes?  
Now get some rest. You need it!

MC  
(monologue)  
The soothing movements of the  
vehicle and the silence of the night  
made me fall asleep instantly...

*SHAKE SCREEN*

MC  
(monologue - cont')  
Before long, a violent shake woke me  
up!

I opened my eyes and saw the owner  
on the road looking at the car.
